# CLEANING REGIME BEAR'S COTTAGE PRIOR TO YOUR STAY

## Effective 27<sup>th</sup> June 2020

### General Policy

As responsible holiday cottage owners, and also to make sure you have a memorable stay at Bear's Cottage, we have always operated a very thorough cleaning regime at every changeover. As people who also take holiday cottage breaks in the UK, we know how important it is that your first impression is of cleanliness in all aspects of the property. We also feel that you should know the cleaning regime we have in place to put your mind at rest during your stay at our cottage.

### Please Note

In line with new Government recommendations in light of Coronavirus and for your protection and safety, **we do not permit outdoor shoes/boots to be worn indoors, please make sure that you wear slippers whilst inside the cottage only (please do not wear slippers outdoors in the garden/patio).**

### Kitchen

Kitchen sink, all kitchen surfaces, wall tiles and waste bin (inside/outside) have been cleaned with a solution of bleach/household surface cleaner. All appliances including microwave, toaster, kettle have been cleaned with antibacterial spray and the oven and hob have been cleaned thoroughly with appropriate cleaners

### Bathroom

Bathroom tiles, shower and enclosure, sanitary ware and all surfaces have been thoroughly cleaned with bleach/antibacterial cleaner (the shower trap is also cleaned out at every changeover!)

### Lounge

Both remote controls cleaned with antibacterial spray

### All Other Surfaces

To include door handles/latches, window handles, window sills and skirting boards, door frames, table tops, light switches including lamps, table mats and coasters, stair bannisters, information binders, keys, key safe, outdoor furniture and outdoor refuse bins have been wiped with a solution of disinfectant.
